Sunday, December 03, 2023

Fire Authority Board:

During the month of November, we ran a total of 88 calls. Year to date we have run 1081 calls for service. At this time last year, we had run 1041 calls. We are currently 40 calls over where we were last year with one month remaining. We had only one Mutual aid call for assist to Ada for a car accident.

During the month of November, we have been collecting gifts for toys for tots. We have also been a collection site for new or lightly used coats to assist families during this holiday season.

We had the opportunity for train in an acquired house structure at Segwun and 36th St. during our monthly training. This provided the team with and excellent opportunity to practice search and rescue techniques as well as hose deployment.

Six individual participated in a heavy bus extrication class sponsored by Alpine fire department. This type of training provides the team with an expanded knowledge of how to safely treat and extricate patients in the event of a bus emergency in our area.

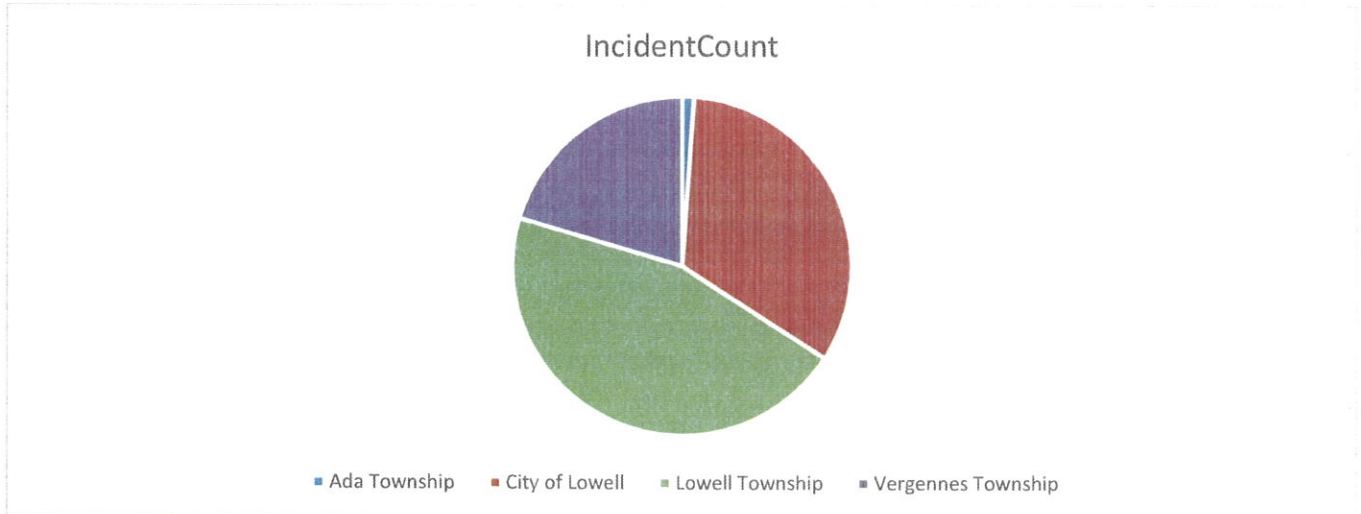

Engine 2 has been out for repairs for most the month of November with mechanical pump problems. It is expected to return with in the first few weeks of December as parts needed to be ordered.

If there are any questions on items not covered or more information needed, please reach out to me.

Thanks

Interim Fire Chief
Corwin Velzen
